

Tents for Troops

Enjoy life, away from the field

Dear Guest,

This Trailer has been donated to us by THOR Industries and its subsidiary's including K-Z, Dutchman-Coleman, Airstream, StarCraft, Keystone and Cross Roads RV. Collectively these Companies have donated Trailers that are now set up in eight States. Toutle RV Resort has donated the site and T4T has equipped the Trailers with everything you may need (we hope) A full list of items which can be found in the Trailer is included. United States Warranty Corp has also donated a nine-year extended warranty on all the new T4T Trailers.

How it works, Guests who may use this RV include Active Duty Military and immediate Family. This includes Reserve Units, National Guard and Coast Guard. The Trailer is loaned out for free with the following exception.

Guests must pay a \$100 deposit at time of reservation or check in. The host RV Park can keep \$35 to help cover utilities, propane, toilet chemicals and other supplies. This \$35 fee is the same if you stay one night or seven nights. The remaining \$65 deposit will be returned if you leave the Trailer clean. Please see list of items that must be left clean. Thank you and if you have time please shoot the above mentioned a shout out. We all want you to have a great stay and all involved parties realize how much you do for us. Without our Troops none of us would be here today.
