Tent's for Troops
and RVs too!

Helping Create Memories
for Those who Protect Ours

Tents for Troops is a 501c3 non profit that provides RV sites to Active Duty Military and their Family's nationwide. All Active Duty including Reserve and National Guard units may use this program at no cost.

We work with parks across the nation to ensure free RV and tent camp sites for active duty military and their families.

RV Loaner Program

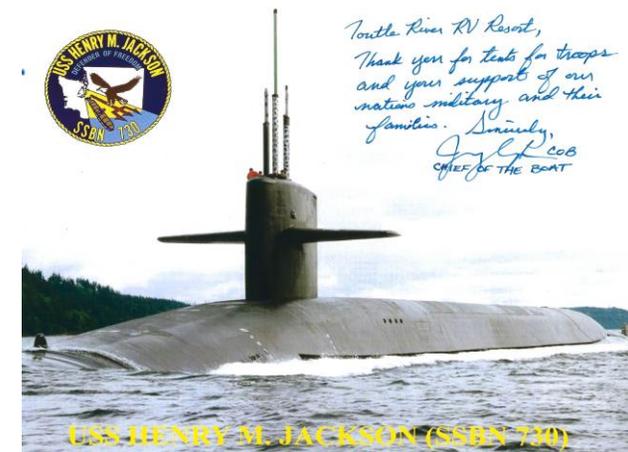

Tents for Troops wants our Troops to see first hand what an RV vacation is all about regardless of their ability to purchase or rent an RV. To facilitate this we will set up and outfit Travel Trailer's in top rated RV Parks and Campgrounds across the country for our Troops to enjoy for free.

Our Troops stay free at 300 RV Parks and Campgrounds across 48 states!

It Only Takes a Buck to Help

We are asking RV Dealers and OEM's to donate \$1 for each RV they build or sell to help fund the program. Its only a buck but with Industry-Wide support, we can provide thousands of deserving military Families with the RV Vacation of a lifetime. Suppliers please call to see how you can help as well
